How it works

Northwest Health · Bamber Bridge, Preston

CQC Registered	GMC-registered GPs	Doctify Reviewed	UKAS / ISO 15189
Provider 1-24247734964	Every consultation, GMC-listed	Independent patient reviews	Accredited partner laboratory

1

£25 GP pre-test call

A 10-minute call with a GMC-registered GP comes first for most tests and scans. The fee is deducted from your balance.

2

Your test or scan

Bloods, imaging, screens or kits — at our Bamber Bridge clinic, by mobile phlebotomy, or posted to your door.

3

GP-reviewed results

Results are reviewed by a GP and shared securely, with written comments and follow-up where needed.

Booked directly (no pre-test call needed): GP telephone, video and in-person consultations, GP home visits and all Health MOTs.

GP & CONSULTATIONS

GMC-registered private GPs by phone, video or in person — same or next day

GP pre-test call · 10 min Telephone review before a reservable test or scan	**£25**
Telephone consultation · 10 min Follow-ups and repeat prescriptions for existing patients	**£55**

In-person — Silver · 15 min Face-to-face appointment with examination	**£95**
Video / telephone · 30 min Longer remote appointment	**£125**
In-person — Gold · 30 min Longer appointment for multiple or complex concerns	**£150**
Video / telephone · 60 min Extended remote review	**£245**
In-person — Platinum · 60 min Comprehensive, unhurried whole-health review	**£295**
GP home visit — Lytham, St Annes & Fylde coast Up to 30 minutes with Dr Tang in your own home	**£250**
GP home visit — Preston & South Ribble Up to 30 minutes with Dr Tang in your own home	**£285**
Prescription Private prescription issued during or after an appointment	**£30**
Sick note (med cert) Private medical certificate	**£30**
Referral letter Specialist or imaging referral letter	**£30**

Membership

Your yearly Health MOT, your own GP time and member rates on everything else — from £35 a month

PLANS

Monthly Direct Debit, or pay yearly and get 12 months for the price of 11

	Individual	Couple · 2 adults	Family · 2 adults + children
Foundation	**£35 / month** or £399 / year	**£63 / month** or £693 / year	**£75 / month** or £825 / year
Plus	**£79 / month** or £869 / year	**£142 / month** or £1,562 / year	**£165 / month** or £1,815 / year
Premier	**£149 / month** or £1,639 / year	**£268 / month** or £2,948 / year	**£289 / month** or £3,179 / year

INCLUDED EACH YEAR

Per adult. Couple and Family plans share GP time: 60 / 180 / 360 minutes

Foundation — **10% off**

Silver Health MOT · 30 min GP time (3 phone calls or 2 face-to-face visits) · 10% off GP, blood tests and packages · £25 scan booking fee waived

Plus — **15% off**

Gold Health MOT · 90 min GP time · 6-month check bloods · physiotherapy assessment · named GP · free GP pre-test calls · 15% off GP and blood tests, 10% off packages · £25 scan fee waived

Premier — **20% off**

Platinum Health MOT · 180 min GP time · 6-month check bloods · ColoAlert® or Cancer Marker Panel · 2 physiotherapy sessions · named GP and WhatsApp line · free pre-test calls · 20% off GP and blood tests, 10% off packages · £25 scan fee waived

Children on Family plans receive member rates and priority booking; a parent or guardian attends every appointment. Member rates do not apply to endoscopy, NIPT, the Medical Weight Loss Programme, prescriptions and letters, or Shop home kits.

GOOD TO KNOW

12-month minimum, then rolling monthly. Your Health MOT can be booked from day 31 (straight away if you pay yearly). GP time resets each membership year and does not roll over; late cancellations and missed appointments count against it. 14-day cooling-off. Membership is not insurance and does not cover emergency or hospital care — please stay registered with your NHS GP. Our Medical Director is a director of Biox Medical Ltd, which supplies ColoAlert®.

Health Screens & Health MOTs

Tiered blood screens and full Health MOT packages — every result reviewed by a GP

BLOOD SCREENS

Silver blood screen — **£245**
FBC, kidney & electrolytes, calcium & phosphate, liver, lipids, HS-CRP, HbA1c, ferritin, vitamin D, full urinalysis + thyroid (TSH, FT4)

Gold blood screen — **£300**
Silver + full thyroid with antibodies, PSA (M) / CA-125 (F) — incl. GP consult & written comments

Platinum blood screen — **£500**
Gold + full sex-hormone panel + coeliac (tTG-IgA) & H. pylori — incl. GP consult & written comments

FOCUSED PROFILES

Tired All The Time profile — **£200.70**
FBC, kidney, calcium & bone, HbA1c, HS-CRP, full thyroid + antibodies, iron studies with transferrin saturation, ferritin, B12, folate, vitamin D, insulin, C-peptide, cystatin-C, magnesium — same-day result

HEALTH MOT PACKAGES — BLOODS, GP ASSESSMENT & ACTION PLAN

Health MOT — Silver — **£295**
Silver blood screen + full GP assessment (45 min) & written action plan

Health MOT — Gold — **£395**
Gold blood screen + full GP assessment (45 min) & written action plan

Health MOT — Platinum — **£650**
Platinum blood screen + full GP assessment (45 min) & written action plan

Cancer Marker Panel — **£249**
Biomarker blood screen — CEA, CA-125, CA 15-3, CA 19-9

Clinical follow-up — **£50**
Phone or video review of your results

SPORTS PERFORMANCE

Sports Performance — Silver — **£325**
Comprehensive performance & recovery blood screen — incl. GP review

Sports Performance — Gold — **£545**
Silver + NAD^+ level test

Sports screening — **£250**
Resting ECG + 30-minute GP assessment for sport participation

Individual blood tests also include a £25 GP pre-test call and a £25 blood-taking appointment — charged once per visit, however many tests you choose, not per test. Profiles show the full list of tests included.

Symptom & Condition Panels

Targeted blood panels for common concerns — every result reviewed by a GP with a written plan

WOMEN'S HORMONES

Menopause — Silver — **£275**
Full female hormones, thyroid, iron, B12, folate, vitamin D, HbA1c, insulin, lipids, cortisol & DHEA

Menopause — Gold — **£549**
Silver + DEXA bone density scan + 30-minute GP menopause and HRT consultation

PCOS — Silver — **£349**
Hormones incl. testosterone, SHBG, FAI, LH/FSH, prolactin, androstenedione + insulin, HbA1c, lipids, thyroid

PCOS — Gold — **£595**
Silver + pelvic ultrasound of the ovaries

Hair Loss Panel — **£349**
Hormones, thyroid + antibodies, ferritin & iron studies, vitamin D, B12, folate, zinc — for women and men

ENERGY & METABOLISM

Tiredness — Silver — **£275**
Full thyroid + antibodies, iron studies, B12, folate, vitamin D, HbA1c, CRP, kidney, calcium, magnesium, insulin

Tiredness — Gold — **£425**
Silver + coeliac & H. pylori, cortisol & DHEA, creatine kinase (muscle)

Tiredness — Platinum — **£709**
Gold + NAD^+ cellular energy blood test — a wellness marker, not a diagnosis

Thyroid Plus — **£189**
TSH, FT4, FT3, TPO and thyroglobulin antibodies

Diabetes & Metabolic — **£289**
Insulin, C-peptide, HOMA-IR, HbA1c + kidney, liver, lipids, CRP + urine albumin

AUTOIMMUNE & JOINTS

Joint & Arthritis — Silver — **£299**
For joint pain, stiffness or swelling: CRP, uric acid (gout), rheumatoid factor, anti-CCP, CK, vitamin D, FBC, kidney, liver

Joint & Autoimmune — Gold — **£475**
Silver + autoimmune screen (ANA + ENA: lupus, Sjögren's, scleroderma) — with rashes, dry eyes/mouth or Raynaud's

Joint & Autoimmune — Platinum — **£825**
Gold + dsDNA antibodies and complement C3/C4 (lupus), HLA-B27 (inflammatory back pain) and thyroid

BONE & BRAIN

Bone Health — **£375**
Calcium, phosphate, PTH, vitamin D + DEXA bone density scan

Brain & Memory — Silver — **£399**
NICE memory bloods (thyroid, B12, folate, calcium, HbA1c, kidney, liver, FBC) + GP cognitive assessment

Brain & Memory — Gold — **£895**
Silver + MRI brain (dementia protocol), consultant-reported

Brain & Memory — Platinum — **£1,195**
Gold + vascular risk check: Cardiac Risk profile (ApoB, Lp(a), HbA1c, hs-CRP), vitamin D, homocysteine, ECG (AF check), BP and QRISK3

Hormone tests may need timing to your cycle — your GP will advise. Joint & Autoimmune panels are for symptoms, not general screening; HLA-B27 (£335.70) can be added for inflammatory back pain. Brain & Memory looks for treatable causes of memory problems; it does not diagnose dementia. Scans at partner centres; GP pre-test call included.

Longevity, Weight & Preventive Health

Evidence-led programmes and doctor-led weight management — every test graded by strength of evidence

PREVENTIVE HEALTH PROGRAMMES

Start with a free 15-minute call — we recommend a programme, or tell you honestly if you do not need one

Discovery call — **Free**
15-minute telephone call about your history, family risk and goals

Baseline — **£1,450**
Core evidence-based tests (QRISK3, ApoB, Lp(a), HbA1c, kidney, liver), physio-led strength, fitness and lung screen, lifestyle and wellbeing checks, 60-min GP results consultation, 90-day follow-up

Advanced — **£3,950**
Baseline + up to two risk-directed scans (e.g. CAC score, DEXA, aneurysm, lung CT, echo), ColoAlert®, hereditary gene panel if eligible, 90-min consultation, 6-month review

Signature — **£7,950**
12 months: all indicated scans and tests, named GP, quarterly reviews, three physiotherapy sessions, repeat bloods, one optional extra up to £400

Functional Age Check — **£99**
Grip strength, balance, walking speed, step test (VO_2 estimate) and lung function screen — compared with age norms

Scans at partner centres: MRI in Preston or Newton-le-Willows, CT in Salford, ultrasound and echo in Salford or Liverpool, DEXA in Denton. Our Medical Director has an interest in the company that supplies ColoAlert®.

MEDICAL WEIGHT LOSS PROGRAMME

Prescribed medication where suitable — face-to-face assessment before any prescription

Start — **£299**
30-min face-to-face GP assessment, weight, BMI, BP, body composition, baseline bloods, plan and first prescription if suitable, nurse call at 2 weeks

Monthly Care — **£79 / month**
Monthly phone or video review, dose adjustment and prescription; in-clinic weight, BP and body composition every 3 months; WhatsApp support

Monthly Care Plus — **£129 / month**
Monthly face-to-face physiotherapist visit (measurements + strength and nutrition), monthly GP dose review and prescription

Maintenance — **£49 / month**
Face-to-face check every 2 months; GP plan to maintain, reduce or safely stop treatment

Monitoring bloods — **£139**
HbA1c, kidney and liver function, cholesterol — when your GP recommends them

For adults with a BMI of 30+, or 27+ with a weight-related condition. Monthly Care and Plus have a 3-month minimum. Medication is dispensed by a registered pharmacy of your choice and paid separately (typically £130–£290 a month depending on dose). With your consent we inform your NHS GP.

OPTIONAL EXTRAS — LIMITED EVIDENCE

Not yet shown to improve health when used to screen well people

Extended longevity blood panel — **£1,499**
NAD+, CoQ10, hs-CRP, TNF-alpha, lipids, ApoB, Lp(a), homocysteine, HbA1c, HOMA-IR, eGFR, omega-3/6, vitamin D, vitamins & minerals, IGF-1, glutathione peroxidase, ApoE genotype

suPAR inflammation & biological age — **£325**
Stable blood marker of long-term, low-grade inflammation, reported as biological age

NAD+ blood test — **£325**
Cellular energy marker — no established target level or proven treatment

MyGuut® gut microbiome analysis — **£325**
Stool microbiome — diversity, dysbiosis, gut-body axes, full bacterial profile

Imaging & Scans

Wide-bore MRI, CT, ultrasound, X-ray and DEXA — reported by consultant radiologists

MRI — PRICE TIERS

Scan	North West	England
MRI — 1 area	£425	£475
MRI — 2 areas	£650	£700
MRI — 3 areas	£875	£925
MRI — 4 areas	£1,100	£1,150
MRI — 5 areas	£1,300	£1,350
MRI — Pelvis	£425	£475
MRI — MSK Pelvis / hips	£425	£475
MRI — Endometriosis	£495	£495

CT

CT — 1 area	£495
CT — 2 areas	£650
CT — 3 areas	£775
CT lung assessment Low-dose CT · Salford and Milton Keynes	£599
CT contrast Where clinically indicated	£225

OTHER IMAGING

Ultrasound (per area)	£295
Vascular / Doppler ultrasound	£350
DEXA scan	£245
X-ray	£225

BRAIN & BODY MRI SCREENING

Package	North West	England
Brain & Body — Silver Brain, abdomen & pelvis	£875	£925
Brain & Body — Gold Silver + whole spine	£1,075	£1,395
Brain & Body — Platinum Gold + one extra area. In England: Platinum Cardiac, with heart MRI in place of the extra area	£1,295	£1,995

North West Gold and Platinum are scanned at Preston and Newton-le-Willows. Worried about memory? See Brain & Memory checks (Symptom & Condition Panels).

SPECIALIST MRI

Breast MRI Always with contrast	£925
Cardiac MRI Always with contrast	£995
Small-bowel MRI	£775
Prostate mpMRI England centres only	£825
Open / upright MRI London and Birmingham only	£750
MRI contrast Where clinically indicated	£225

ENDOSCOPY

Gastroscopy (OGD) Upper-GI endoscopy	£1,600
Colonoscopy Lower-GI endoscopy	£2,199

WHERE YOUR SCAN TAKES PLACE

North West prices apply to postcodes CA, LA, FY, PR, BB, BL, OL, M, SK, WN, WA, L, CH and CW, with MRI at our Preston (Fulwood) and Newton-le-Willows centres. Elsewhere in England we scan through our national imaging partner. Scans are available in England only. Contrast scans are not carried out at Preston or Newton-le-Willows, so North West patients who need contrast are scanned at Liverpool or Salford. CT, ultrasound, X-ray, DEXA and endoscopy cost the same wherever you are scanned.

Every scan carries a £25 booking fee, deducted from the price of the scan. A GP calls you before the scan, a consultant radiologist reports it, and a GP goes through the results with you.

Cancer Screening

Multi-cancer screening with GP review — in clinic or home kits posted UK-wide

IN CLINIC · GP-REVIEWED

ColoAlert® bowel test — **£375**
At-home bowel test with GP review — stool-DNA KRAS & BRAF + FIT hidden-blood + human-DNA quantification

ColoAlert® — returning patients — **£325**
Repeat-interval bowel screening for returning patients

Cancer Marker Panel — **£249**
CEA (bowel/GI), CA-125 (ovarian), CA 15-3 (breast), CA 19-9 (pancreatic/GI)

Proclarix® / PSA — prostate — **£455**
PSA plus Proclarix proteins to reduce unnecessary biopsies

FIT — bowel (faecal Hb) — **£105**
Bowel test for hidden blood in the stool — first-line bowel screen

GALEAS® Bladder — **£849**
Urine NGS across 23 bladder-cancer genes, for blood-in-urine triage and recurrence monitoring — by consultation only

EarlyCDT® Lung — **£335**
Blood autoantibody test estimating lung-cancer risk

SCREENING PACKAGES

Cancer screen — Silver — **£285**
Bowel FIT + Cancer Marker Panel (CEA, CA-125, CA 15-3, CA 19-9)

Cancer screen — Gold — **£449**
ColoAlert stool-DNA + Cancer Marker Panel

Cancer screen — Platinum — **£975**
ColoAlert + 35-gene Hereditary Panel + Cancer Marker Panel

Each package is bundled at a saving versus buying the tests separately, and every result is GP-reviewed.

AT-HOME KITS, POSTED UK-WIDE

Hereditary Cancer Panel — **£649.99**
35-gene germline saliva panel — inherited risk, counselling included

ColoAlert® home kit — **£349**
At-home stool-DNA bowel test — no GP appointment needed, result GP-reviewed

MyGuut® Gut Microbiome kit — **£325**
At-home stool microbiome test — diversity, gut-body axes & full bacterial profile, GP-reviewed

HEREDITARY CANCER PANEL — 35 GENES

APC, ATM, BAP1, BARD1, BMPR1A, BRCA1, BRCA2, BRIP1, CDH1, CDK4, CDKN2A, CHEK2, EPCAM, GREM1, HOXB13, MITF, MLH1, MSH2, MSH6, MUTYH, NF1, NTHL1, PALB2, PMS2, POLD1, POLE, POT1, PTEN, RAD51C, RAD51D, RNF43, SMAD4, STK11, TP53, VHL. Covers breast, gynaecological, prostate, bowel, pancreatic and melanoma risk. Counselling video included; genetic counsellor if a change is found.

Gut Health & Travel Screening

GP-reviewed gut symptom checks, infection and parasite screens — with endoscopy if you need it

GUT HEALTH PACKAGES

For bloating, pain, reflux or a change in bowel habit — results reviewed by a GP with a written plan

Gut Health — Silver — **£425**
Bloods: FBC, kidney, liver, thyroid, CRP, HbA1c, ferritin, B12, folate, vitamin D, coeliac and H. pylori antibodies — plus urine, faecal calprotectin (IBD vs IBS) and FIT

Gut Health — Gold — **£725**
Silver + H. pylori stool antigen, faecal elastase (pancreas) and a stool infection screen: 23-pathogen PCR plus ova, cysts & parasites

Gut Health — Platinum — **£1,325**
Gold with ColoAlert® stool-DNA in place of FIT, plus MyGuut® gut microbiome analysis

Before testing: eat gluten for 6 weeks (coeliac); stop acid-reducing medicines for 2 weeks and antibiotics for 4 weeks (H. pylori). Bleeding, weight loss, anaemia or a new change in bowel habit over 60 should be seen by a GP first. Our Medical Director has an interest in the company that supplies ColoAlert® and MyGuut®.

GUT HEALTH EXTRAS

Add to any package or book on their own after a GP pre-test call

Stool infection screen (PCR)	**£181.80**	**ALEX3 allergy panel (~300 allergens)**	**£795**
Abdominal / liver ultrasound	**£295**	**HLA-DQ2/DQ8 coeliac gene**	**£387**
Lactose intolerance gene	**£302.40**	**Flexible sigmoidoscopy**	**£1,595**
Gastroscopy	**£1,600**	**Colonoscopy**	**£2,199**
Gastroscopy + colonoscopy (one visit)	**£2,895**		

Endoscopy is arranged after your GP reviews your results or symptoms and is performed at Vista Health, North Bristol (BS34 5TL). Ultrasound at partner centres in Salford or Liverpool.

RETURNING TRAVELLER SCREENS

Hidden parasites and infections after travel abroad — book 6–12 weeks after your return

Traveller's Screen — Silver — **£325**
Stool: 23-pathogen PCR (incl. Giardia, Cryptosporidium, Entamoeba, Salmonella) + ova, cysts & parasites microscopy

Traveller's Screen — Gold — **£549**
Silver + blood count (eosinophils), Strongyloides and Schistosoma (bilharzia) antibodies

Traveller's Screen — Platinum — **£895**
Gold + kidney & liver, amoebic antibodies, HIV, hepatitis B & C, syphilis and TB blood test (QuantiFERON) — for long stays and expats

Fever within 3 months of visiting a malaria area needs a same-day malaria test at A&E — do not wait for a screen. Extra tests by destination (filariasis, leishmania, dengue, hydatid and others) can be added by your GP.

Women's Health

HPV self-testing, female health packages and prenatal testing — all GP-reviewed

HPV SELF-TEST

HPV self-collect (home swab) — **£89.10**
High-risk HPV DNA test you take at home — result reviewed by a GP

Clinician-taken cervical samples (smears) are not currently offered at our clinic. If your HPV self-test is positive, we will refer you for a clinician-taken sample — privately at Pall Mall Medical, Manchester, or through your NHS GP. Stay in the NHS cervical screening programme when invited.

FEMALE HEALTH

Female Health — Silver — **£359**
Comprehensive female blood screen (incl. full thyroid, CA-125, urine) + HPV self-test (home swab)

Female Health — Gold — **£699**
Silver + Female Hormone Panel + MY FLORA™ vaginal microbiome

Female Health — Platinum — **£949**
Gold + MyGuut® gut microbiome analysis

MY FLORA™ Vaginal Microbiome — **£325**
Vaginal microbiome profile — by consultation only, after a GP assessment

Female Health packages include a GP pre-test call and assessment. Hormone tests may need timing to your cycle — your GP will advise.

PRENATAL TESTING (NIPT) — PRENATALSAFE®

cfDNA screening from 10 weeks — pre- and post-test genetic counselling included

PrenatalSafe® 5 — **£489**
Trisomies 21 (Down's), 18 (Edwards'), 13 (Patau's) plus sex-chromosome conditions; optional fetal sex

PrenatalSafe® Karyo Plus — **£895**
Every chromosome, rarer trisomies (9, 16, 22), structural changes + the 9 most common microdeletion syndromes

PrenatalSafe® Complete Plus — **£1,450**
Karyo Plus + single-gene screening: 25 de novo genes (44 conditions), cystic fibrosis, sickle cell, beta thalassaemia, hereditary deafness

Includes GP pre-test call, accredited laboratory analysis, geneticist counselling and free RhSafe® (baby's Rhesus D group). Screening, not diagnosis — a higher-chance result needs confirmatory testing. Twin surcharge confirmed at booking. For packages with a dating scan and antenatal bloods, see Fertility & Pregnancy.

Fertility & Pregnancy

Pre-conception, male and female fertility checks and private pregnancy packages — every result reviewed by a doctor

PRE-CONCEPTION

Planning a pregnancy? Make sure you are both ready — GP review and written plan included

Her Pre-conception Check NEW — **£429** (members £399)
Blood count, iron, vitamin D, B12, folate, thyroid, HbA1c + rubella & chickenpox immunity — folic acid, vitamin D and vaccine advice

Couple's Pre-conception — Silver NEW — **£895** (members £805)
Her check + his blood count, HbA1c & vitamin D + full STI and blood-borne virus screen for both + joint GP review

Couple's Pre-conception — Gold NEW — **£1,295** (members £1,165)
Silver + AMH egg reserve + sickle cell & thalassaemia carrier screen for both + home sperm test

MALE FERTILITY

Home sperm test analysed at a UKAS-accredited laboratory — every result reviewed by a doctor, with a results call

Sperm analysis — home test — **£295**
Home semen-analysis kit posted to you, laboratory analysis and doctor review

Male Fertility — Silver — **£495**
Home sperm test + male hormone panel

Male Fertility — Gold — **£529**
Home sperm test + testicular ultrasound

Male Fertility — Platinum — **£719**
Home sperm test + male hormone panel + testicular ultrasound

Around 1 in 10 home samples cannot be analysed and need a repeat kit; one abnormal result is common and is usually repeated. Pain, swelling or a lump in a testicle — see a GP promptly.

FEMALE FERTILITY

Bloods and scan timed to day 2–5 of your cycle — doctor review and results call included

Female Fertility — Silver — **£435**
Female hormone panel (FSH, LH, oestradiol, prolactin, testosterone, SHBG, FAI) + AMH egg reserve + thyroid

Female Fertility — Gold — **£699**
Silver + pelvic ultrasound of the womb and ovaries

Female Fertility — Platinum (couples) — **£965**
Gold + ovulation check (mid-luteal progesterone) + partner's home sperm test

AMH shows egg quantity, not quality. Hormonal contraception affects results — tell us when you book. Heavy or very painful periods, pelvic pain or bleeding between periods or after sex — see a GP first.

PREGNANCY PACKAGES

Dating scan at 10–14 weeks, antenatal bloods and NIPT — with a doctor's pre-test discussion

Pregnancy — Silver — **£799**
Dating scan + antenatal booking bloods (FBC, blood group & antibody screen, HIV, hepatitis B & C, syphilis, sickle cell & thalassaemia) + PrenatalSafe® 3 NIPT (trisomies 21, 18, 13)

Pregnancy — Gold — **£999**
Silver bloods + extended bloods (thyroid, ferritin, vitamin D, rubella & chickenpox immunity) + PrenatalSafe® 5 NIPT

Pregnancy — Platinum — **£1,595**
Gold bloods + PrenatalSafe® Karyo Plus NIPT (all chromosomes + microdeletions) + 4D bonding scan from 26 weeks

Scans at Chequers Health Centre, Rushlake Drive, Bolton BL1 3RL; blood test and doctor discussion at Bamber Bridge. The scans confirm dates and number of babies; they are not checks of your baby's health or development. NIPT is a screening test, not a diagnosis. These packages do not replace NHS antenatal care — please still book with your midwife.

Teen Health (14+)

GP-reviewed blood tests for teenagers aged 14 and over — results read against teenage reference ranges

TIREDNESS & WELLBEING

Constant tiredness is often down to something treatable — low iron, vitamin D, thyroid or coeliac disease

Teen Tiredness — Silver NEW — **£365**
Blood count, kidney & liver, CRP, iron studies, B12, folate, vitamin D, magnesium, zinc, calcium, thyroid + coeliac & H. pylori antibodies

Teen Tiredness — Gold NEW — **£415**
Silver + glandular fever test (Monospot)

Glandular fever add-on (Monospot) NEW — **£110**
Add to any teen blood test — same sample

SPORT

For young athletes — performance, recovery and heart rhythm

Teen Athlete Check NEW — **£295**
Blood count, kidney & liver, CRP, iron studies, B12, folate, vitamin D, magnesium & zinc + 12-lead ECG read on athlete-specific criteria

Linked with our physiotherapist for injury and rehab advice.

HORMONES & TUMMY

GP-led checks for common teenage concerns

Periods, Skin & Hormones (16+) NEW — **£415** age 16+ only
For irregular periods, acne or excess hair: testosterone, SHBG, free androgen index, LH, FSH, oestradiol, prolactin, 17-OH progesterone, insulin, HbA1c, thyroid

Tummy & Coeliac Check NEW — **£265**
Coeliac antibodies (tTG with total IgA), H. pylori antibodies, blood count, iron studies, B12, folate, vitamin D — keep eating gluten before the test

PCOS should not be diagnosed too soon after periods start — your GP interprets results carefully and agrees a plan with you.

ALLERGY

IgE blood tests interpreted by a GP against your reaction history

Nut Allergy Panel NEW — **£280**
Almond, Brazil, cashew, chestnut, coconut, hazelnut, macadamia, peanut, pecan, pine nut, pistachio, walnut + sesame

Hay Fever & Pet Allergy Panel NEW — **£280**
Around 23 airborne triggers — grass and tree pollens, house dust mites, moulds, cat and dog dander

A positive result shows sensitisation, which is not always a true allergy. Anyone who has had a severe reaction (anaphylaxis) is referred to an NHS allergy clinic.

GOOD TO KNOW

Under-16s attend with a parent or guardian, who also gives consent; 16–17-year-olds can consent themselves, with a parent booking. Numbing cream is available for anyone nervous about needles. Blood tests take place at our Bamber Bridge clinic.

Men's & Sexual Health

Prostate, testicular and hormone checks, and discreet STI screening — all GP-reviewed

MALE HEALTH

USS Testicular scan — **£295**
Ultrasound of the testes and scrotum, consultant-reported

PSA (total) — **£95**
Total prostate-specific antigen — the first-line prostate blood test

PSA Profile — **£110**
Total PSA + Free PSA + Free/Total ratio

Proclarix® / PSA — prostate — **£455**
Refines the biopsy decision when PSA is 2–10 ng/mL

Male Hormone Panel — **£263.70**
Testosterone, free T, SHBG, LH, FSH, prolactin, oestradiol, FAI & albumin

Male Health — Silver — **£365**
PSA Profile + Male Hormone Panel

Male Health — Gold — **£595**
Silver + testicular ultrasound

Male Health — Platinum — **£899**
Gold + Proclarix / PSA

Individual tests carry a £25 GP pre-test call and a £25 sample-taking appointment, charged once per visit; packages include them. Proclarix runs when PSA is 2–10 ng/mL.

SEXUAL HEALTH (STI SCREENING)

Discreet, GP-reviewed screening for men and women, with treatment and partner-notification support

Silver — **£175**
Gonorrhoea + chlamydia PCR

Gold — **£275**
Silver + HIV, hepatitis B surface antigen, syphilis, hepatitis C

Platinum (full PCR) — **£545**
Full blood screen plus PCR for herpes I & II, gonorrhoea, chlamydia, Mycoplasma genitalium & hominis, Ureaplasma, Trichomonas, Treponema pallidum, Haemophilus ducreyi

Each in-clinic STI screen includes a £25 GP pre-test call and a £25 swab or sample-taking appointment, charged once per visit.

Screening is not diagnostic — discuss symptoms with a GP

Heart, Lung & Physiotherapy

Heart and lung checks from bloods to CT, consultant-reported · physiotherapy with scan and treatment in one visit

HEART HEALTH PACKAGES

Know your real heart risk — every package includes a GP review and written plan

Heart Risk Check NEW — **£249**
Cholesterol, ApoB, Lp(a), HbA1c + written GP report · if abnormal, £249 credited to Silver or Gold · add an ECG for £89

Heart Health — Silver — **£425**
Heart bloods (cholesterol, ApoB, Lp(a), HbA1c, hs-CRP, kidney, liver, thyroid, FBC) + 12-lead ECG in clinic + blood pressure + QRISK3 10-year risk

Heart Health — Gold — **£749**
Silver + echocardiogram — ultrasound of heart structure, valves and pumping function

Heart Health — Platinum — **£1,395**
Gold + CT coronary calcium score — measures calcified plaque in the heart arteries

Heart Health — Diamond — **£2,695**
Gold + CT coronary angiogram with calcium score — a detailed view of any narrowing in the heart arteries

For people without current chest pain — chest pain now or at rest, call 999. CT involves a small radiation dose; calcium scoring is usually for age 40+.

CARDIAC TESTS

Consultant cardiologist or radiologist report and GP follow-up on every test

ECG (at our clinic)	**£145**	**Echocardiogram**	**£375**
ECG add-on (with Heart Risk Check)	**£89**	**Cardiac MRI (with contrast)**	**£995**
24-hr Holter	**£395**	**CT calcium scoring**	**£595**
48-hr Holter	**£425**	**CT coronary angiogram (CTCA)**	**£1,395**
7-day ECG monitor	**£495**	**CTCA with calcium score**	**£1,845**
NT-proBNP (heart strain, add-on)	**£172.80**		

LUNG HEALTH PACKAGES

For breathlessness, cough, wheeze or a smoking history — GP review and written plan included

Lung Health — Silver — **£349**
Lung function screen, oxygen level, breathlessness score, inhaler check + bloods: FBC (eosinophils), CRP, IgE, alpha-1 antitrypsin

Lung Health — Gold — **£595**
Silver + chest X-ray + inhalant allergy panel (pollens, dust mite, pets, moulds)

Lung Health — Platinum — **£1,395**
Silver + allergy panel + low-dose CT lung assessment + EarlyCDT® Lung blood test + NT-proBNP (heart as a cause of breathlessness)

Lung screen is not diagnostic spirometry — we refer if abnormal. Coughing blood, weight loss or cough over 3 weeks: see a GP urgently. Aged 55–74 and ever smoked? Ask about free NHS lung screening.

PHYSIOTHERAPY & MSK

Assessment, MSK ultrasound, injections and rehabilitation — often in a single appointment

Physiotherapy — assessment & treatment — **£80**
Full MSK assessment with hands-on treatment and a personalised rehab plan in one visit

MSK diagnostic ultrasound — **£225**
Real-time scan of joints, tendons and soft tissue

Follow-up physiotherapy — **£80**
Ongoing treatment and progression of your rehab programme

Ultrasound-guided injection — **at booking**
Targeted, image-guided injection therapy for eligible conditions

Led by Nathan Briganti (MSc, HCPC, ACP), NHS England-badged Advanced Clinical Practitioner and MSK sonographer.

Blood Tests by Body System

Choose individual tests — each result GP-reviewed. Profiles list every test they include.

GENERAL / FBC & INFLAMMATION

Tiredness, infection, unexplained illness, monitoring

Full Blood Count (Haem)	**£35.10**	**ESR**	**£13.50**
C Reactive protein	**£45**	**Plasma Viscosity**	**£108**

HEART, LIPIDS & CARDIOVASCULAR

High cholesterol, chest pain, palpitations, CV risk review

Cholesterol	**£28.80**	**Lipid profile (FLP)**	**£42.30**
Apolipoprotein A	**£101.70**	**Apolipoprotein B**	**£70.20**
Lipoprotein (a)	**£94.50**	**Homocysteine**	**£128.70**
Cardiac Risk 3	**£122.40**	**Cardiac Risk 5**	**£135**
Creatine Kinase	**£53.10**	**CKMB**	**£66.60**
Troponin I (High Sensitivity)	**£104.40**	**Ntpro BNP**	**£172.80**
D Dimer	**£104.40**		

LIVER

Fatigue, alcohol review, abnormal LFTs, jaundice

Liver Function Test	**£32.40**	**Bilirubin Profile**	**£76.50**
Bile Acids	**£72**	**ELF**	**£324**

KIDNEY & ELECTROLYTES

Blood pressure, kidney function, fluid/salt balance

Renal Function	**£33.30**	**Extended Urea and Electrolytes/ Renal Function**	**£37.80**
Cystatin-C	**£116.10**	**Albumin/Creatinine Ratio**	**£40.50**
Magnesium	**£28.80**		

DIABETES & METABOLIC

Thirst, weight change, diabetes screening & monitoring

Glucose - Blood (without Biochemistry)	**£29.70**	**HbA1C**	**£52.20**
Insulin Levels	**£104.40**	**C Peptide**	**£187.20**
Fructosamine	**£76.50**	**Insulin Resistance**	**£60.30**

THYROID

Fatigue, weight change, hair/skin, palpitations, mood

Thyroid Profile	**£51.30**	**TSH**	**£32.40**
Free Thyroxine	**£32.40**	**Free T3**	**£45**
Total T4	**£37.80**	**Triiodothyronine(T3)**	**£104.40**
Thyroid Peroxidase antibodies	**£68.40**	**Thyroglobulin Ab's**	**£76.50**
Thyroid Receptor Antibodies	**£173.70**	**Thyroxine Binding Globulin**	**£173.70**
Thyroid Panel	**£156.60**		

FEMALE HORMONES / FERTILITY

Periods, fertility, PCOS, menopause, libido

Female Hormone Panel	**£263.70**	**Follicle Stimulating Hormone**	**£51.30**
Luteinising Hormone	**£51.30**	**Oestradiol**	**£51.30**
Progesterone	**£51.30**	**Testosterone**	**£53.10**
Free Testosterone	**£104.40**	**Sex Hormone Binding Globulin**	**£51.30**
Prolactin	**£51.30**	**Antimullerian Hormone**	**£166.50**
D4 Androstenedione	**£110.70**	**DHEA -s**	**£51.30**

MALE HORMONES

Low libido, fatigue, fertility, prostate health

Male Hormone Panel	**£263.70**	**Testosterone**	**£53.10**
Free Testosterone	**£104.40**	**Sex Hormone Binding Globulin**	**£51.30**
DHEA -s	**£51.30**	**Oestradiol**	**£51.30**
Prolactin	**£51.30**	**PSA Profile**	**£110.00**
Prostatic Specific Antigen	**£95.00**	**Free PSA**	**£28.80**

BONE, VITAMINS & MINERALS

Bone health, cramps, deficiency, fatigue

Bone Profile	**£104.40**	**Calcium**	**£28.80**
Corrected Calcium	**£42.30**	**Phosphate**	**£28.80**
Vitamin D 25(OH)	**£84.60**	**Vitamin D Profile**	**£149.40**
Magnesium	**£28.80**	**Zinc**	**£104.40**
Copper	**£104.40**	**Selenium**	**£104.40**

ANAEMIA, IRON & FATIGUE

Tiredness, pallor, heavy periods, hair loss

Anaemia Profile	**£139.50**	**Haematinics**	**£99**
Serum IRN	**£30.60**	**Ferritin**	**£53.10**
Iron Binding Capacity	**£51.30**	**Transferrin Saturation**	**£66.60**
Vitamin B12	**£39.60**	**Active B12**	**£76.50**
Serum Folate (Vitamin B9)	**£39.60**	**Red Cell Folate**	**£66.60**

AUTOIMMUNE, JOINTS & GOUT

Joint pain/swelling, suspected autoimmune disease, gout

Rheumatoid Factor	**£39.60**	**Anti CCP Antibodies**	**£66.60**
Anti Nuclear Ab	**£66.60**	**Double Stranded DNA Ab**	**£104.40**
ENA Screen	**£128.70**	**Uric Acid**	**£28.80**
Complement C3	**£104.40**	**Complement C4**	**£104.40**

INFECTION & SEXUAL HEALTH

STI screening, hepatitis, pre-travel / visa

HIV I & II P24Ag	**£36**	**Hepatitis B Surface Ag**	**£34.20**
Hepatitis B Surface Antibody	**£34.20**	**Hepatitis C Antibody**	**£53.10**
Syphilis Ab's IgG/IgM	**£53.10**	**TPPA**	**£53.10**
Hepatitis Screen	**£130.50**		

GUT & DIGESTIVE (BLOOD)

Bloating, coeliac, reflux, abdominal pain

Coeliac Screen	**£128.70**	**Coeliac Screen +**	**£283.50**
Helicobacter pylori IgG	**£92.70**	**Amylase**	**£51.30**
Lipase	**£76.50**	**Gastrin**	**£119.70**

TUMOUR MARKERS

Targeted cancer-marker monitoring (screening aid, not diagnostic)

Prostatic Specific Antigen	**£95.00**	**Free PSA**	**£28.80**
PSA Profile	**£110.00**	**CA125**	**£66.60**
Breast C Antigen CA15-3	**£68.40**	**CA19-9**	**£76.50**
Carcino Embryonic Antigen	**£51.30**	**Alpha Foetoprotein**	**£104.40**
Ca72-4	**£104.40**		

All prices include GP review of your results

ADRENAL & STRESS HORMONES

Fatigue, blood-pressure problems, suspected adrenal disorder

Cortisol	**£104.40**	**Adrenocorticotropic Hormone (ACTH)**	**£154.80**
Aldosterone	**£128.70**	**Renin**	**£186.30**
DHEA -s	**£51.30**		

LONGEVITY MARKERS

Healthy-ageing and cardiovascular risk markers — limited evidence as screening tests on their own

Coenzyme Q10	**£197.10**	**Omega 3/6 profile**	**£160.20**
Glutathione Peroxidase	**£92.70**	**Homocysteine**	**£128.70**
Lipoprotein (a)	**£94.50**	**Apolipoprotein B**	**£70.20**
Apolipoprotein E Genotype	**£452.70**	**IGF-1**	**£154.80**
TNF-alpha	**£190.80**	**Cystatin-C**	**£116.10**
Insulin Resistance	**£60.30**	**Heavy Metal Screen**	**£477.90**

Specialist Profiles

Named laboratory profiles — allergy, immunology, hormones, vitamins and minerals — all GP-reviewed

ROUTINE BIOCHEMISTRY

Full Blood Count	**£35.10**	**Lipids**	**£42.30**
Liver Function	**£32.40**	**Urea & Electrolytes**	**£33.30**
Extended Urea & Electrolytes	**£37.80**	**Thyroid Function**	**£48.60**

AUTOIMMUNE PROFILES

Connective Tissue Disease Screen	**£186.30**	**Auto-Antibody Screen**	**£166.50**
Auto-Antibody Profile 2	**£387**	**ENA Screen**	**£128.70**

INFECTIOUS DISEASE & SEXUAL HEALTH

MMR Status	**£94.50**	**Early Detection**	**£348.30**

Skin Scrapings Culture	**£104.40**
Gardnerella PCR	**£49.50**
Gastrointestinal PCR	**£181.80**
Monkeypox PCR	**£80.10**
Respiratory PCR panel	**£240.30**

Driver Medicals & Concierge

GP-led DVLA medicals done right first time · your care arranged for you on WhatsApp

DRIVER MEDICALS (D4)

Taxi, private hire, HGV and bus drivers — GP examination and D4 form completed in a fully equipped clinic

Taxi / HGV / PCV Medical (D4) NEW — **£139**
Eyesight, blood pressure, urine, medical history; D4 form completed and signed by a GP — seen this week, form checked before it goes to the DVLA

Fleet rate — 5 or more drivers NEW — **£119** per driver
The same GP-led D4 medical for firms; block appointments and invoicing to the firm

HbA1c add-on NEW — **£49**
Average blood sugar over 2–3 months — useful with diabetes or before licence renewal

Please bring your NHS App medical record or a printout of your records from your own GP — the DVLA expects the doctor to have seen them. Bring your glasses or contact lenses if you drive with them, and photo ID.

CONCIERGE

Message us on WhatsApp — our team books, coordinates and follows up your care. Free for Premier members

Concierge booking NEW — **£25** per booking
We book at the best time and place, send a secure payment link, preparation instructions and reminders

GP care review & coordination NEW — **£100** per episode of care
A GP reviews your reports, decides next steps and writes referral letters; our team arranges each appointment

Concierge time NEW — **£15** per 15 minutes
Pay-as-you-go help: chasing reports, other providers, travel to appointments, care for a family member

Concierge PA retainer NEW — **£249** per month
Your own named coordinator on WhatsApp, same-day replies, up to 5 hours a month and a monthly summary

Treatment, tests and scans are charged separately. Our concierge team does not give medical advice — clinical questions go to a GP. We never ask for card details in a chat. Premier + PA retainer £349 a month. For urgent problems call 111, or 999 in an emergency.

Visa & Travel Medicals

15 destinations at fixed, all-inclusive prices

VISA & TRAVEL MEDICALS

Fixed all-inclusive prices — laboratory tests plus the in-person GP examination and form-signing

Bahrain Visa *	**£513.70**	**China Visa ***	**£522.70**	**Greece Visa**	**£342.80**
Iraq Visa	**£395.90**	**Kuwait Visa ***	**£514.40**	**Malaysian Visa**	**£328.40**
Norwegian Visa	**£338.30**	**South African Visa ***	**£594.50**	**Saudi Visa ***	**£728.60**
Brunei Visa *	**£590**	**Camp America (USA)**	**£270**	**France Visa (OFII)**	**£342.80**
Japan Visa (JET)	**£290**	**Spain Visa**	**£342.80**	**Turks & Caicos Visa ***	**£794.10**

* Chest X-ray (and ECG for Bahrain and China) included where the destination's form requires it. The all-inclusive price covers the laboratory tests, the in-person GP examination and form-signing. Appointments are 45 minutes. Most are completed the same day.

Good to know

How we work, and how to reach us

HOW WE WORK

All prices are the amount you pay
Our medical services and diagnostics are VAT-exempt, so no VAT is added

Prescriptions, sick notes & referral letters Each	**£30**
MRI contrast Where clinically indicated	**£225**
Scan booking fee Charged on every scan and deducted from the scan price	**£25**
Blood draw (phlebotomy) 10-minute appointment for any ordered test	**£25**

“From” indicates the lowest price in a category; the exact fee depends on the area or panel chosen and is confirmed at booking. Screening tests are not diagnostic, and results are always interpreted by a GP. New or red-flag symptoms should be seen by a GP. Imaging is reported by consultant radiologists; laboratory analysis is carried out by a UKAS / ISO 15189-accredited laboratory.
